

**The beauty of black
Convotherm mini black**

Advancing Your Ambitions

Convotherm mini black

An eye-catching, high-performance all-rounder

The professional compact Convotherm mini black combi oven is perfect for front-of-house usage:

► **Whets people's appetite**

With an attractive black design and an extra large observation window, the mini black is quite the looker. It's matte black surface means that finger prints stay unseen leaving it looking good all-day long.

► **Fits everywhere**

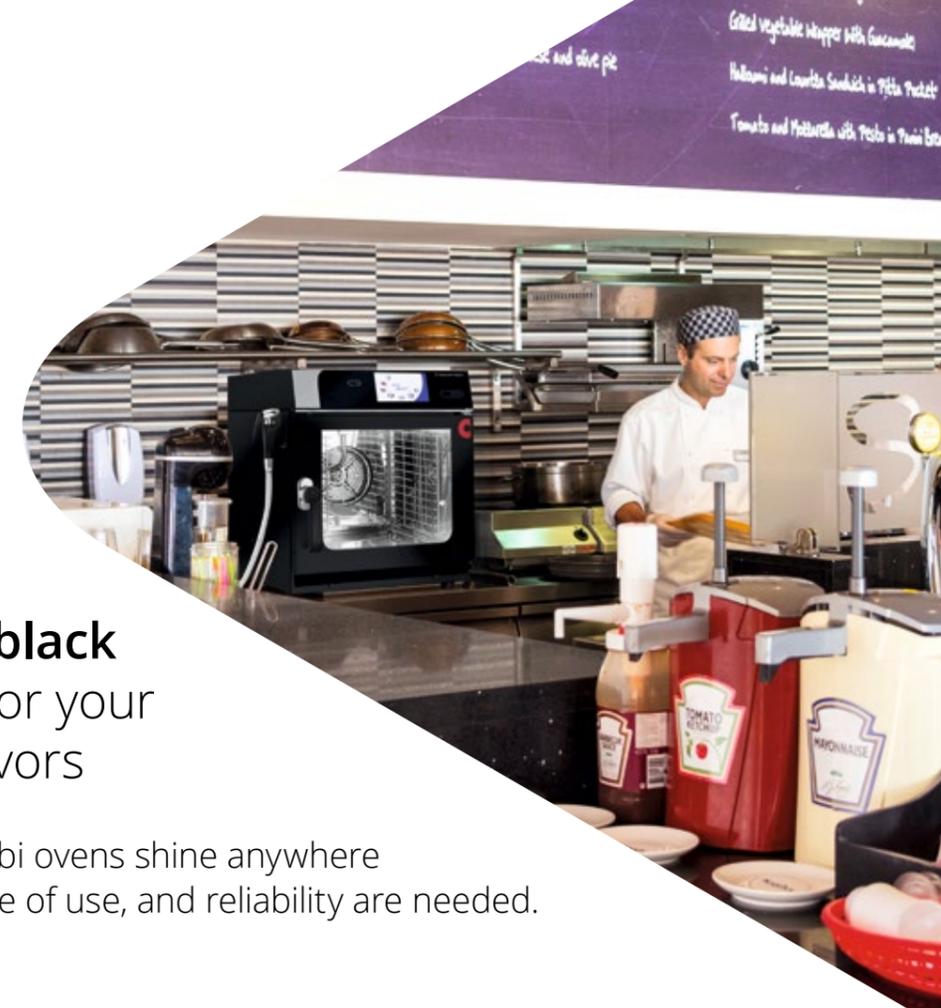

Amazingly small, only 51.5 cm in width, versatile, and powerful: Ideal for convenience stores, bakeries, supermarkets, cafés, and coffee shops where space really counts.

► **Makes more possible**

Whether you are roasting, grilling, steaming, regenerating, au gratin cooking, or convenience deep-frying: The mini black is a true all-rounder designed to significantly broaden your gastronomic range.

► **Is there for you all day**

Breakfast, lunch, snacks 24/7 – the mini black can handle anything, and can be used to prepare a variety of dishes simultaneously.

Convotherm mini black

Absolutely perfect for your gastronomic endeavors

Convotherm mini black combi ovens shine anywhere where versatility, speed, ease of use, and reliability are needed.

► **Small size, big view**

Despite a small width of only 51.5 cm, the Convotherm mini black features a meticulously thought-out interior design that creates an incredibly large cooking chamber for efficient food preparation. It fits perfectly into counter areas and can be ideally combined with other equipment.

► **A good looker**

With its new design, the mini black complements the Convotherm product range. Being matte black, the combi oven is perfect for use alongside other Welbilt appliances such as the Merrychef eikon® e2s Trend black.

► **Unbeatable ease of use**

Whether using the standard manual control panel or the extremely user-friendly easyTouch® full touchscreen: The intuitive and self-explanatory controls on the Convotherm mini black make it easy even for untrained and frequently rotating staff to get things done quickly.

► **Automatic cooking and baking**

With easyStart, you can get started immediately in six different product categories. Preheating, temperature compensation, such as when the door is opened, and selection of cooking modes are automatic. Smart cooking profiles provide you with suitable suggestions for efficient mixed loads. This allows every team member to carry out routine operations independently after only a brief training.*

► **Perfect baking with BakePro**

The multi-stage baking profile BakePro ensures best results and a longer shelf life due to fixed, optimal preparation sequences for different products. A further advantage: Maximum capacity utilization saves time and money and ensures maximum product availability even at peak times.*

► **Fully automatic cleaning**

The fully automatic cleaning ConvoClean system ensures effortless cleanliness for the Convotherm mini black. The new express cleaning system enables ten-minute cleaning that is perfect for peak hours and in between times.* With the CareStep rinsing function, the cooking chamber always leaves a dazzling impression on the customer.**

* For easyTouch® units only

** Comes as standard with easyTouch® units; optional for standard units

**A wide variety of accessories.
 Perfectly fine-tuned for your needs.**

Comprehensive and well-engineered accessories make working with the Convotherm mini even easier, more efficient, and more convenient:

Sheet pans and oven racks
 Stainless steel sheet pans and oven racks with a non-stick coating for the Convotherm mini are available in GN sizes and standard patisserie sizes.

Stacking kit
 Two Convotherm minis on top of each other – there is hardly a better way to double your output without taking up additional floor space. Available with or without casters and drawers for cleaning agents.

Wall bracket
 This convenient wall bracket can be used to mount the Convotherm mini on a suitable wall and save a considerable amount of space.

Stands
 The stands for the Convotherm mini are made of high-quality stainless steel and ensure that maximum hygiene standards can be easily complied with. They provide stability and are available as mobile models upon request.

Cleaning agents and care products
 All Convotherm cleaning and care products are optimally balanced for use with the ConvoClean system, biodegradable, halal and kosher certified.
